“The beautiful thing about learning is that no one can take it away from you.” B.B. King

Making a college visit and touring the campus can be pivotal in a student's decision to attend college. Students will meet and speak with admissions and/or financial aid representatives. Students are encouraged to ask questions and not only listen to the answers, but take in the authenticity of the answers, pick-up the school spirit, and the school's culture and community. Not only does the tour visit colleges, it also includes sightseeing and visits of historical places.
