'A Moment in Time' Tour!

A Glimpse of the Civil Rights Movement and African American History

May 15th-23rd, 2018

The **civil rights movement** was a mass protest **movement** against racial segregation and discrimination to secure for African Americans equal access to and opportunities for the basic privileges and **rights** of U.S. citizenship. Although the roots of the **movement** go back to the 19th century, it peaked in the 1950s and 1960s. This tour will visit key civil rights sites, along with National landmarks. If experiencing Black History such as: exploring historical moments in Alabama, examining the death of Emmit Till, reliving the challenges of the Civil Rights Movement, embracing the discovery of peanut products of George W. Carver, visiting the site where Rosa Parks was arrested interests you; you have reached the right destination. You will be wonderfully enlightened because this is one tour you do not want to miss! We invite you to join us in "A Moment in Time". Space is limited!
